

LONDON LINTELS LTD

SUPPORT WHEN YOU NEED IT

Environmental Policy Statement

At London Lintels Limited (LLL), we aim to continually reduce the environmental impact of our operations. Performance against this statement is reviewed regularly and the statement is updated annually.

Our Goals

London Lintels Limited are committed to minimise:

- **Greenhouse Gas Emissions** – we monitor our carbon emissions and are focused on achieving operational net zero carbon dioxide (CO₂) by 2050*- Scope 1 and 2.
- **Energy consumption** – we continually explore innovative energy-saving technologies and are focused on improving energy efficiency in all operational areas.
- **Environmental impact** – London Lintels Limited aims to operate in accordance with best available techniques.
- **Waste** – London Lintels Limited seeks to ensure minimal waste goes to landfill and all wastes are processed in-line with relevant waste regulations.

Our Responsibilities

We aim to achieve compliance and beyond with all legal requirements of current Environmental Legislation and Regulations.

We seek to:

- Develop our business in an environmentally conscious and sustainable way.
- Reduce/eliminate our environmental impact.
- Select resources ethically and utilize them in an environmentally sustainable manner.

Our People

All our employees play their part in developing a culture of environmental stewardship and excellence. We aim to provide education and training, ensuring all employees are environmentally aware and able to make a positive impact in terms of their actions and ideas.
